# About Us

Al Siraat College, established in 2009, is a co-educational institution serving the Islamic community in Melbourne.

The Virtual Campus extends this mission, offering high-quality Islamic education online.

# Why Online Learning?

- Access to quality education
- Flexible learning pathways
- Innovation
- Adapting to Modern Needs

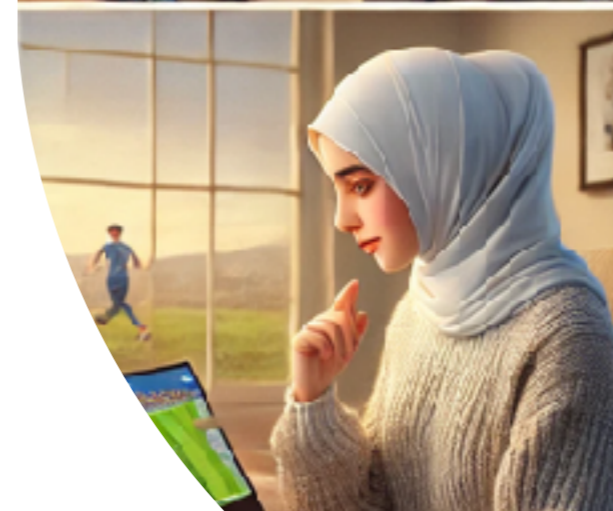

# Learner Profiles

The Virtual Campus supports diverse student needs:

- Home-Schoolers
- Student-Athletes
- Health Challenges
- Social-Emotional Needs
- Waiting List Students

The Virtual Campus employs a blended approach to ensure a dynamic and flexible learning experience

### **Real-Time Learning**

Real-time tutorials and well-being sessions conducted via video technology

### **Self-Paced Learning**

Pre-recorded flipped learning videos, worksheets, and other materials.

### **On-site Face-to-Face Learning**

For activities that cannot be conducted online, such as practical experiments and examinations.

# **Curriculum Delivery**

# Flipped Learning

Students engage with instructional content independently (videos, worksheets).

Tutorials reinforce learning through discussions and collaborative tasks.

# Learning Resources

All learning resources will be made available through our Learning Management System.

Assignments will be submitted online on our Learning Management System.

# Curriculum

## **Years 7-10:**

Based on Australian Curriculum 9.0.

## **VCE Subjects:**

Delivered as per the Victorian Curriculum and Assessment Authority guidelines.

## **Islamic Values Integration:**

Islamic teachings woven into all subjects.

# Face-to-Face Sessions

Held on selected Friday afternoons.

Designed for activities not feasible online, such as:

- Practical experiments.
- Tasks requiring specialised tools and equipment.

Exams conducted on-site (during exam period) for Year 9 to 11.

Schedules provided in advance.

# Practical Subjects

Practical tasks in various subjects are designed to blend home-based learning with occasional on-site sessions for complex activities.

Instructional videos and learning kits will be provided for practical subjects.

This approach ensures safety, accessibility, and hands-on experience, supported by instructional videos and teacher guidance.

Complex tasks will be required to be completed on-site.

# Well-Being Sessions

- Catch up on students' well-being
- Strategies for stress and anxiety management.
- Developing coping mechanisms and confidence.
- Social Engagement
- Mindfulness and gratitude practices inspired by Islamic teachings

# Year 7 to 10 Curriculum

The curriculum will comprise the eight Key Learning Areas outlined in the Australian Curriculum:

- English
- Mathematics
- Science
- Humanities and Social Sciences
- The Arts (including Visual Arts)
- Technologies
- Health and Physical Education
- Languages (including Arabic)

In addition to academic subjects, the curriculum integrates an Islamic worldview throughout all disciplines while prioritising the development of digital literacy and technological skills essential for thriving in online learning environments.

Understanding your child's readiness ensures they have the best chance to thrive in an online learning environment, setting them up for success.

### **Key Traits of Students Suited for Virtual Learning:**

- **Independent Learning:** Strong self-discipline and the ability to work independently.
- **Technological Skills:** Proficiency in using technology platforms and virtual tools.
- **Time Management:** Effective planning and organisational skills.
- **Self-Motivation:** Ability to follow a structured daily schedule with minimal supervision.
- **Active Engagement:** Willingness to participate in online discussions and complete assignments.

# **Is my child ready for online learning?**

While the virtual campus encourages student independence, parental involvement is crucial to ensure focus and achievement.

**Key expectations include:**

- Monitor your child's learning during independent and scheduled lessons.
- Be present during both Real-Time and Self-Paced activities to address technical, behavioural, or other challenges.
- Ensure attendance in all scheduled lessons and timely task completion.
- Provide a quiet, organised, and distraction-free study space.
- Regularly check on your child's well-being and communicate concerns promptly.
- Supervise home-based practical sessions to ensure safety.
