

# Child Safety & Wellbeing

## Primary Students

### AT AL SIRAAT COLLEGE, WE KEEP CHILDREN SAFE!

Did you know that everyone has a responsibility to keep you safe? That's right! Just like how your parents, teachers, and other grown-ups look out for you, we have rules in place to make sure you stay safe and happy while you're at school. Let's take a look at some important points from our Child Safety and Wellbeing Policy:

### OUR PROMISE TO YOU

- All children who come to Al Siraat College have the right to feel safe and happy.
- We're here to protect you from any harm or bad things.
- We want you to be able to join in on everything at school without worrying about safety.

### WHAT WE BELIEVE

- We'll always Keep You Safe: Every child deserves to feel safe all the time.
- Your Best Interests Come First: Your happiness and safety are the most important things to us.
- We Respect You: Your thoughts and privacy are important, and we'll always listen to you.
- We Set Clear Rules: We have rules to make sure everyone treats you with kindness and respect.
- We Create a Safe Environment: Making sure our school feels safe is super important.
- We Talk About Safety: We're always here to chat about anything that worries you.

### WHAT WE DO TO KEEP YOU SAFE

- We make sure grown-ups who work at our school are good people who won't hurt anyone.
- Everyone, including teachers and volunteers, learns how to keep you safe.
- We have special plans in place to help you if you ever feel scared or unsafe.
- If anyone ever hurts you or makes you feel uncomfortable, we're here to help.

### YOUR SAFETY SUPERHEROES

- The school leaders make sure everything is safe and good for you.
- Some teachers are extra-trained to help if anyone needs it.
- Every grown-up knows how to help keep you safe.
- If you're ever worried, you can talk to any grown-up you trust, and they'll help you.

### WHAT YOU CAN DO

- Always tell a grown-up if you feel scared or worried.
- Treat everyone with kindness and respect.
- Remember, it's okay to say no if something feels wrong.

### WHAT HAPPENS IF YOU NEED HELP

- We have a special team of helpers you can talk to if you ever need it.
- We'll keep what you tell us private, but if you're in danger, we'll need to get help to keep you safe.

### WE'RE ALWAYS MAKING THINGS BETTER

- We're always working to make sure our school is the safest place for you to be.
- If you ever have ideas on how we can make things even better, we'd love to hear them!

Remember, your safety is our top priority! If you ever have any questions or worries, just let us know. We're here to help you feel safe, happy, and ready to learn!

### STAY SAFE AND HAPPY!
