

November 2023

Dear resident / business owner

Epping Road Upgrade - Temporary closures of Harvest Home Road between Champions Parade and Epping Road

We're upgrading Epping Road to help get you home safer and sooner.

As part of the Epping Road Upgrade, we're undertaking works to relocate and protect essential services including gas, water and electricity and telecommunications.

Service relocation and protection is an important part of road construction. Before we build your new lanes, we need to dig and move soil and rock using heavy machinery. Relocating underground services ensures we minimise interruptions to these services while we build the upgrade.

What we're doing and when

We'll work on Harvest Home Road between Champions Parade and Epping Road from **Friday 17 November until early December 2023** to safely install a new water main beneath Epping Road. We'll close one side of the road at a time to minimise the traffic disruption.

From **7am Friday 17 November to late November 2023**, we'll close the eastbound lane of Harvest Home Road between Champions Parade and Epping Road.

Once these works are complete, we'll close the westbound lane of Harvest Home Road between Champions Parade and Epping Road **until early December 2023**.

We'll let you know before we close the westbound lane of Harvest Home Road via email and on road signage.

During this time, we'll:

- dig up the old road surface
- remove and protect existing water services in the area
- install a new water main
- prepare the intersection for future essential service relocation and upgrade works.

Most of our works will take place from **7am to 6pm, Monday to Friday**.

What to expect

Traffic changes

There will be traffic management, speed reductions and detours in place during these closures.

While we work on the **eastbound lane** of Harvest Home Road, detours will be in place via Greenfields Drive and Edenvale Boulevard.

While we work on the **westbound lane** of Harvest Home Road, detours will be in place via Lyndarum Drive and De Rossi Boulevard.

Please see the maps on the next page for more information.

Access to properties and businesses will be maintained at all times. If we need to temporarily change your access for any reason, we'll speak to you ahead of time.

Delays are expected. We encourage you to plan your journeys and allow extra travel time.

Construction impacts

These works are expected to generate medium-high levels of noise, dust, and vibration. We'll monitor these impacts to ensure they are kept to a minimum.

Keeping you informed

We'll continue to send you regular updates and let you know about upcoming works. You can also subscribe for email and SMS updates by visiting roadprojects.vic.gov.au/subscribe.

If you have any questions, please phone **1800 105 105** (24 hours a day, 7 days a week) and select **option 5** to speak to a member of our team or email us by visiting bigbuild.vic.gov.au/contact.

Regards

Epping Road Upgrade project team
