

Al Siraat College Uniform

Uniform Requirements

All students attending Al Siraat College are required to wear a school uniform and uphold the requirements for appearance, all of which are maintained by the Islamic Tradition.

The Al Siraat College uniform is an essential element in creating a sense of belonging and identity. We regard grooming and uniform as basic matters of self-respect and respect for the school community. Students are expected to always wear the appropriate school uniform with pride, including on excursions.

If a student has a reason for not wearing the uniform on any given day, s/he must bring a note from home. Secondary students must obtain a Uniform Pass from their relevant coordinator, without which, a detention will be issued. Consistent breaches will result in parents being contacted to either immediately rectify the issue or take their child back home until it is rectified.

RESPONSIBILITIES

All members of the College community have an important role and responsibility supporting the successful implementation of the College Uniform Policy.

COLLEGE

The College is responsible for ensuring that the Al Siraat College Uniform Requirements is accessible to all members of the College community.

STUDENTS

Students are responsible for wearing their full correct uniform on the appropriate days and adhering to the required appearance requirements.

PARENTS

Parents are responsible for their child's uniform and are expected to check that it is being worn correctly before the child leaves home for school. Students who are unable to wear the correct uniform at any time must present an explanatory note from their parent/guardian to their relevant coordinator at the beginning of the school day. This note should explain the reason for the student not being able to wear the appropriate uniform. Parents must also ensure that their child's appearance adheres to the requirements laid out by the school.

TEACHERS

Teachers are responsible for being familiar with the Al Siraat College Uniform requirements and enforcing it.
